ABOUT MCET

Dr Mahalingam College of Engineering and Technology (MCET), Pollachi, is a private, self financing, co-educational engineering college, established in the year 1998 to commemorate the 75th birthday of our Chairman Emeritus, Dr.N.Mahalingam and to cater to the needs of rural students aspiring to pursue education in the field of engineering and technology. MCET is accredited by NBA & is ISO certified. MCET offers eleven UG courses, including Civil Engineering and five PG courses.

ABOUT CIVIL DEPARTMENT

The department offers courses leading to a four year B.E. degree in Civil Engineering since 2007. The department places special emphasis on engineering automation. The students are exposed to the advanced computing techniques used for analysis and design. In this regard, the department provides opportunities for students to acquire knowledge in the latest softwares.

OBJECTIVES OF PROGRAMME

Quality in the constructed project is, meeting the requirements of the stakeholders, while complying with the governing laws and other matters of public policy. This programme aims to bring together academicians, engineers and constructors and discuss the current status and understanding of quality in civil engineering projects and identify steps that might be taken to improve quality in design and construction.
